

# **Grassy Fork Elementary School Afterschool Program**

The Afterschool Program provides a safe environment for your child each day. The programs begins at 3:15pm and ends at 6:00pm. The program is directed by Angie Pack, Afterschool Director, along with three educational assistants Keasley Johnston, Jennifer Willis and Sandy Coggins.

Your child is not required to stay each day in afterschool or any specific amount of time during afterschool. We suggest that you register your child and use the program when needed. Pick your child up at any time during the afterschool program.

Afterschool staff will provide a snack, homework help and many other activities. We are excited about the new year and look forward to working with you and providing a safe environment for your child after the school day ends.
